## CLIENT INFORMATION & QUESTIONNAIRE

Please take a few minutes to review some information below and provide the information requested in the questionnaire following. Thanks much for your cooperation!

### CLIENT INFORMATION / FAQs:

#### ***Why should I seek the service of an interior designer / decorator?***

- Interior designers can save you money, time, and effort, because our knowledge, expertise, and guidance can help prevent costly mistakes
- A professional will save you countless hours of shopping, after all we have access to a wide range of domestic and foreign resources
- We can help you define and enhance your own distinctive style
- We can use our creative abilities to help make your interior dreams a reality
- Interior designers can make the most of what you have and do the required research to find what you need

#### ***When should I use a design professional?***

- When you are contemplating buying or building a new house
- When you plan a major addition to your home
- When you want to renovate or remodel your living space
- When you like a variety of styles but are not sure how to group them together
- Whenever you need to relate interior design considerations to an existing or as yet to be formulated architectural plan.
- When your current furniture arrangement requires an infusion of inspiration
- When your rooms needs new drapes, floor coverings, furniture and accessories
- Whenever you feel that you need professional guidance!

#### ***How do I prepare to engage a design professional?***

- Collect clippings from magazines and photos of items and decors that appeal to you.
- Know what colors, style and effects you like
- Know what you want to accomplish, what the room or house should do for you when finished.
- Know your budget boundaries
- Determine if you like the space to be formal or casual, traditional or contemporary.
- Know your objective and lifestyle needs.

**éclante**

*breath taking interiors*

- Establish a time frame in which you would like the work to be accomplished.
- Determine if there a specific deadline that must be met.
- Share all of the above information with the interior designer.

### **How does Éclante charge?**

Our charging mechanism is dependent on the nature of the project. The mode of charging is discussed and agreed upfront. Some charging options include:

- Flat Fee: Client pays a flat fee for interior design services based on the design plan, time required, and scope of services.
- Hourly Rate: We bill a negotiated rate per hour.
- Cost Plus Method: We charge a set percentage on all merchandise purchased and tradesmen's services rendered.
- Mixed Method: Client pays both a set percentage on purchases and a base design fee
- Per square foot: This method could be used for some new constructions.

### **What range of services does Éclante provide?**

Depending on the needs of the clients, we provide interior design and decorating services ranging from consulting, to design and implementation. A client may require only consulting, while another may require the full range of our services from start to completion of an interior design / decorating project.
